Twilight

I am just a man, just a boy, just your average person
And I, I love you so, with all my soul
You're my only girl

Without her I shake
Without her I stress
She's nowhere I look
I should just ask

Me, I can't see you
You can't see me
In the twilight, the twilight

I am just a man, just a child, just wining and cursing
And I, I can't let go, I try but no
You're my only girl

Breech, broken
Now, unspoken
